Summary

Senior Frontend Engineer with 7+ years of experience building production-grade applications using JavaScript, TypeScript, React, and Next.js. I've led projects at startups, consultancies, and global companies, including KFC. I focus on writing clean, maintainable code, delivering intuitive user experiences, and driving business outcomes. I enjoy solving complex frontend challenges, mentoring other developers, and occasionally contributing to open source.

Experience

Senior Frontend Engineer

Bitovi • Libertyville, IL

Oct 2021 – Present

- Led a web team for a major U.S. restaurant chain (KFC), contributing as a senior consultant.
- Maintained and enhanced a shared SDK for both web and mobile platforms.
- Delivered the KFC x DoorDash tracking integration to improve post-order UX.
- Built the redemption flow for KFC x Diablo IV campaign.
- Developed the Staffing App, an internal tool for managing company assets.

Frontend Engineer

Mijem Inc. • Ontario, CA

Aug 2021 – Oct 2021

- Launched MVP of a student-focused buy/sell platform under tight deadlines.
- Contributed to core frontend architecture and initial component design.

Frontend Engineer

Connectabil • Brazil

Apr 2021 – Sep 2021

- Built the frontend foundation of an HR platform connecting companies with accounting professionals.
- Collaborated cross-functionally to ensure feature velocity and strong UX.

Web Developer (Freelance)

Cursos Nando Moura • Brazil

2021

- Developed two high-traffic landing pages to support course sales.
- Implemented SEO and user tracking to optimize campaign results.

Software Engineer

PLEN Robotics • Japan

Apr 2020 – Apr 2021

- Built self-hosted web apps for the Plen Cube personal assistant robot.
- Created the Plen Dashboard and Booster appointment scheduling tool.
- Developed COVID-era classroom monitoring and kiosk food sales systems.

Fullstack Engineer

Amplimed • Chapecó, SC

Dec 2018 – Mar 2020

- Built full-stack features for a healthcare platform.
- Integrated third-party APIs and handled large-scale medical data.

Technical Support

Xande Informática • Seberj, RS

Feb 2013 – 2014

- Built and repaired PCs, and provided in-person hardware/software support.

Education

B.S. in Computer Science

UFFS – Universidade Federal da Fronteira Sul • Brazil

Graduated Feb 2021
